Remarks: John, I understand that the new rules on evidence issued by the Supreme Court enhance the power of the Government to prevent testimony revealing state secrets or official information. Would these new rules in any way invalidate the line of argument that we have taken in the case of the Ervin bill and other bills providing for outside judicial review of agency actions? <div style="border: 1px solid black; width: 100px; height: 40px; display: inline-block; vertical-align: middle;"></div>
